

**VICE COMMODORES REPORT**

Getting down to our year's end, I wish to take the opportunity to Thank our 2006 Commodore Peter Holler for a job well done.

At our December 5th Board Meeting, we approved yet another three new members to the Marco Cruise Club. Our particular Thanks goes to our Membership Committee Chair, Tim Kenney.

It's important to note that many of our new members are being introduced for membership by relatively new members of our club. It is apparent that these new members recognize what a great bargain our club is and are thrilled by our extensive programs.

So what's with us "Grey Heads". Are we so complacent that we take our club for granted and forget to talk up membership. Lets all resolve to get with the program of promoting new members for this coming year. Tim Kenney needs the extra work.

In just a couple of weeks, unless the Board has a change of heart, I will become Commodore for 2007.

Please all members new and old, do not hesitate to contact me if you have the desire to assist our MCC Officers, or become part of an active committee.

Harvey Eisen, Vice Commodore
