No Membership Meeting in December.

### COMMODORES CORNER

Here we are enjoying the beginning of Fall. You would never know it with the temperature sitting at 85 degrees with high humidity and hurricane season at its high point. With Fall comes some of the most important activities the Marco Cruise Club has to offer. Our first membership meeting after the Summer break was in September. This meeting was very important because at that meeting the official reading of the proposed slate of officers for the 2012 Club year. At the October Annual Membership meeting the club will vote on this slate of officers. Your vote is very important so plan on being at this meeting.

Other activities are planned and being planned by the Vice and Rear Commodores so be sure and watch your e-Mail and future copies of the Lubber Line. An overnight cruise is planned for November with several boats signed up. I have checked the web site for the marina as well as nearby South Seas Resort and rooms are available for those who may want to ride along with someone or drive up. In December our Christmas Party is planned for early December along with participation in the "Christmas Marco Style" Street and Boat Parades. These activities have always been, not only fun activities but well attended by members and guests alike.

Membership is very important to our clubs existence and with "snow birds" returning to the Marco/Naples area it is a perfect time to recruit new members.

Safety Tip for this edition: If you have a smart phone it can be used as a backup GPS and live weather which can help you on the water. A really good one is Radar Now. Do a market search for this one. It can be found usually for free.

Fair Winds and Following Seas,

Tom

VICE COMMODORE REPORT

Welcome to those of our members who have arrived back on Marco and a safe trip back to those who are on their way back.

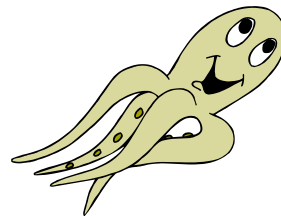

Our summer was typical. But from what I've been seeing Marco hasn't been getting the amount of rain that other parts of the area have. Boating has been very good. There's been few days when we have not been able to up-anchor and do a little cruising or fishing. If you do decide to do some fishing, be sure to check the regulations. They seem to change frequently.

Coming onto the Island on Collier Blvd. the new bridge and the old bridge make quite an impression. The landscaping is beautiful. All work on the bridges is to be completed in October and a dedication ceremony is set for November.

We had our September and October board meetings at Su's Garden. We had a nice assortment of food including appetizer, soup and entree, with a fortune cookie and tea. All for \$10.00 including tax and tip. We will be going back to the Little Bar in November.

We are in the planning stages for events for the upcoming year. If you have any suggestions let the directors or bridge members know. We like to try new adventures. [tonypalma@juno.com](mailto:tonypalma@juno.com).

Tony Klein, Vice Commodore.

John & Betty Nevelus on Vacation in Denali.

For more information call John on 393-0689.

## REAR COMMODORES REPORT

Most people are still up north, so there is no official club trip planned for Oct.

For November, we have the 3 day cruise to Tween Waters in Captiva (see the flyer in this Lubbers Line). For those interested in doing this cruise, you should call the Tween Waters Marina (239-472-5161) to make your reservation.

It's been a long summer, Betty and I have been traveling and have not done much cruising. We are eager to begin again and look forward to the new season. I'm sure the new rear commodore will have some exciting trips for us.

*Rear Commodore, John Nevelus*

*Christmas Party  
Thursday, December 8th  
Pelican Lake Resort*

*Commodores Ball  
Friday January 7th  
Island Club, Marco*
