

## ~ FREE ~ VESSEL SAFETY CHECK

**PURPOSE:** To establish your vessel's compliance with federal, state and local safety requirements. (Let's try to get our MCC vessel's checked for 2010!)

- Answer related safety questions.
- Prevent citations by meeting regulations.
- Reduce accidents and injuries.
- Identify possible boating insurance discounts.

**Note:** [Vessel infractions not reported to policing agencies]

**Proudly Display the *Vessel Safety Check* 2010 Decal on your Boat**
